

ARCH – Age-Related changes in Hematopoiesis Online training lectures

July 2nd 2020, 4 pm – 6 pm

Bioethical issues of working with human samples/data

Giorgio Cattoretti

University of Milano-Bicocca

School of Medicine and Surgery

Download the slides by scanning the QRCode

July 8th 2020, 4 pm – 7 pm

Workshop – Functional Cytometry: understanding cytomic assays

Gianluca Rotta

Alessandra Roberto

BD Biosciences

FlowMetric Europe

July 15th 2020, 4 pm – 6 pm

Advanced Cytometry – Dissecting phenotypic and functional heterogeneity in biological systems with single cell proteomic analysis – Mass Cytometry (CyTOF)

Nikolaos Paschalidis

Foundation of Biomedical Research, Academy of Athens

July 16th 2020, 4 pm – 5 pm

ESRs interview the photographer Elisabetta Citterio

More information about the scientist and artist can be found at the website:

<https://www.elisbettacitterio.com/a-scientist-journey>

July 21st 2020, 4 pm – 6 pm

Single-cell phospho kinase signature in pediatric T-cell acute lymphoblastic leukemia

Giuseppe Gaipa

Flow Cytometry and Molecular Therapy Research Unit

Centro Ricerca M. Tettamanti

Pediatric Clinic University of Milano-Bicocca

This project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No 813091

July 24th 2020, 4 pm – 6 pm

Flow Cytometry Applications in Red Cell Research

Sara El Hoss

University of Paris

INSERM Unit 1134 “Integrated Biology of the Red Cell”

French National Institute of Blood Transfusion

GR-Ex “Red Cell Laboratory of Excellence”

Links and instructions for connecting will be sent by e-mail a few days before each lecture.

All the slides presented will be available in the ARCH website.

For any issue, please contact arch@unimib.it.
